

## The Herald and News

Brown Caldwell.

Mr. Horace Brown and Miss Lillie May Caldwell, only daughter of Mr. W. J. Caldwell, of this county, were happily married on Wednesday evening, at the home of Mr. Caldwell, by Rev. D. P. Boyd.

## A Good Horse Killed.

On Tuesday Mr. Will Hayes was in the city and about midday while leaving, at the Gravel Town railroad crossing, his horse got its foot fastened between the railroad iron and the plank put down for the crossing, and the horse in trying to extricate its foot pulled the entire hoof from its foot. The horse had to be killed.

## Newberry Is Withering.

Mr. Mike Kempson dropped in to see us last week and said the people are in a bad fix about crossing Saluda river. The two counties ought to look into this matter at once.—Saluda Sentinel, 15th.

Stir up your supervisor and get him to meet Newberry's supervisor half way and the matter will be settled satisfactorily.

## Says He Was Tortured.

"I suffered such pain from corns I could hardly walk," writes H. Robinson, Hillsboro, N. H., "but Bucklen's Arnica Salve completely cured them." Acts like magic on sprains, bruises, cuts, sores, scalds, burns, boils, ulcers. Perfect healer of skin diseases and piles. Cure guaranteed by all druggists, 25c.

## Impressed With Newberry.

Col. W. L. Stanley, the General Counsel of the Seaboard Air Line, was in the city Tuesday on business for his road. He expressed himself as highly pleased with the thrift and enterprise of the city, and to a friend he said it was a "town of the first magnitude." The hotels and public buildings he pronounced as the best he had seen in his travels. The Newberry Hotel was an especial object of his praise.

## Working 24 Hours a Day.

There's no rest for those tireless little workers—Dr. King's New Life Pills. Millions are always busy, curing Torpid Liver, Jaundice, Biliousness, Fever and Ague. They banish Sick Headache, drive out Malaria. Never gripe or weaken. Small, taste nice, work wonders. Try them. 25c at all drug stores.

## Splendid Performance.

"Along the Kennebec," a comedy of New England life, pleased a good sized audience at the Grand opera house last night.

The play has lots of action in it and a good company produced it in a satisfactory manner. During the performance several pleasing specialties were introduced and the singing and dancing was good, especially Miss Carrie Kendrick who has a charming voice and knows how to use it. Messrs. Gorman and Proctor gave a very unique musical specialty. They were dressed in real Scotch costumes and played many musical instruments in a clever manner.

A fine orchestra accompanied with the company rendered several excellent musical numbers and the performance of "Along the Kennebec" was a very enjoyable play at present.—Greenville News, 15th.

This excellent comedy will be produced at the opera house tonight.

## Night was Her Tormentor.

"I would cough nearly all night long," writes Mr. Chas. Applegate, of Alexandria, Ind., "and could hardly get any sleep. I had consumption so bad that if I walked a block I would cough frightfully and spit blood, but when all other medicines failed, three \$1.00 bottles of Dr. King's New Discovery wholly cured me and I gained 50 pounds." It's absolutely guaranteed to cure Coughs, Colds, La Grippe, Bronchitis and all the Lung Troubles. Price 50c and \$1 Trial bottle free at all druggists.

## WORKING FOR NEWBERRY

A Canvasser to be Made to Allow the Citizens to Help on a Good Cause—To Bring in Good People.

In previous articles we mentioned the matter of a colony of good people up in Ohio who desired to come South to make their home, and suggested that the citizens of Newberry take up the question and set forth the advantages that we have to offer to these people, who will make good citizens.

A committee, consisting of Mayor Klettner and Mr. John Scott, within the past few days have interviewed several citizens and succeeded in obtaining subscriptions to the amount of about \$50. But that amount is inadequate to cover the necessary expense of a representative which it is desired to send to Bluffton, Ohio, to see these people and set forth Newberry's advantages, and the committee will therefore begin a canvass today to obtain an additional amount for the above purpose. We think the citizens should contribute liberally, as the county and town will profit considerably by the coming of these people.

## REMARKABLE CURE OF COUGHS.

A Little Boy's Life Saved.  
I have a few words to say regarding Chamberlain's Cough Remedy. I have my little boy's life and I feel that I cannot praise it enough. I bought a bottle of it from E. A. Steere of Goodwyn, S. C. and when I got home with the poor baby could hardly breathe. I gave the medicine directed every ten minutes until he "threw up" and then I thought sure he was going to choke to death. We had to pull the phlegm out of his mouth in great long strings. I am positive that if I had not got that bottle of cough medicine, my boy would not be on earth today.—Joel Demott, Inwood, Iowa. ## VARIOUS AND ALL ABOUT

Bad weather has set in.  
Read the ad. of Mayes' Drug store in this paper.

Hard work is the best remedy we know for hard times.

The company to appear at the opera house tonight is said to be a good one.

The price of meat, corn, flour and nearly everything we eat continues to advance.

Two fights and two robberies in twenty-four hours is a new record for Newberry.

Dr. E. C. Jones will in a few days move his office into the front corner room over Mower's store.

Mr. J. W. Kibler has purchased a pretty two-acre lot from Mr. J. C. Wilson, adjoining that of Mr. Fellers, on Pope Street.

The Board of Health at its meeting on Tuesday re-elected Mr. C. W. Bishop health inspector. There were several applications for the place.

Carr Bird, colored, was arrested yesterday and will be tried this morning for stealing a strap from a set of harness left on the public square.

The new Board of Firemasters held a meeting Monday evening. Mr. E. H. Leslie was elected President of the Board and I. H. Hunt, Esq., Secretary.

The change of the weather yesterday seemed to bring on a desire on the part of some for the "chemically pure." It was decidedly in evidence yesterday.

"Railroad Jack" appeared at the opera house last Monday night. Some parts of the performance—the specialties—were very good; other features were not so good. Taken as a whole the show is worth the price of admission.

Quincy Fry, colored, attempted to kill his wife Tuesday with an axe. She had to flee to the residence of some white people in the neighborhood for protection. Mayor Klettner tried on the case the next morning and fined Fry \$25 or 30 days on the chain gang. The mayor is right in cases of this kind, no sympathy is desired and the full extent of the law should be given.

## Personal.

Miss Laura Bowman has returned to Auton.

Dr. J. P. Docket, of Anderson, visited in the county last week.

Mrs. Watts Davis, of Clinton, is visiting her mother, Mrs. Mattie Glenn.

Mr. R. S. Galloway, of the A. R. Presbyterian, Due West, was in the city Wednesday.

Miss Fannie E. Martin, after a pleasant visit to relatives in Newberry, left Wednesday for her home at Donalds.

Miss Alice Watts, on her return from a visit to Orangeburg, stopped in Newberry to visit the family of Mr. J. W. Farhardt, before returning to her home at Clinton.

Dr. A. L. Longshore has moved to the city and for a few days is at the home of his brother Mr. M. J. Longshore, who is living in Brookland near the old Cline shop. We welcome Dr. Longshore to the city and bespeak for him a liberal share of the practice of our people.

## A Good Recommendation.

"I have noticed that the sale on Chamberlain's Stomach and Liver Tablets is almost invariably to those who have once used them," says Mr. J. H. Weber, a prominent druggist of Cascade, Iowa. What better recommendation could any medicine have than for people to call for it when again in need of such a remedy? Try them when you feel dull after eating, when you have a bad taste in your mouth, feel bilious, have no appetite or when troubled with constipation, and you are certain to be delighted with the prompt relief which they afford. ## A GENERAL KNOCK DOWN.

The New Mollohon Mill the scene of What Came Near Being a Serious Affair Between a White Man and a Negro.

The town was thrown into a wave of excitement yesterday afternoon by a telephone message from the new Mollohon mill stating that a negro had killed a white man with a brick.

The policemen and several others made their way to the new mill, but the white man whose name was given as Griffin, had recovered from the shock and was sitting up. The negro who struck the white man, is Wade Nelson, a negro well known in Newberry.

Griffin, the white man, is a carpenter and had been at work on the operative houses. He was drinking and left where he had been at work and went over to the mill building where Nelson, who is a brick-layer, was at work. They had some words, when the report is that Griffin struck the negro twice with a brick, when the negro returned the blow, knocking Griffin senseless for a while.

The case will likely come up before the mayor this morning for a hearing. The above facts are as we were able to gather them just after the difficulty. Both parties have a pretty sore head.

"Some time ago my daughter caught a severe cold. She complained of pains in her chest and had a bad cough. I gave her Chamberlain's Cough Remedy according to directions and in two days she was well and able to go to school. She was well and healthy in my family I have used this for the past seven years and have never known it to fail," says James Prendergast, merchant, Annato Bay, Jamaica, West India Islands. The pains in the chest indicated an approaching attack of pneumonia, which in this instance was undoubtedly ward off by Chamberlain's Cough Remedy. It counteracts any tendency of a cold toward pneumonia. Sold by W. E. Pelham.

## THE KNIGHTS OF PYTHIAS.

Public Installation of Officers Followed by the Annual Banquet—A Pleasant Occasion and a Sumptuous Feast.

The annual public installation of the Newberry Lodge Knights of Pythias, No. 75, was held in the Pythian hall Tuesday night. Acting Deputy Grand Chancellor Eduard Scholtz, past chancellor commander of the order, officiated and conducted the solemn and impressive ceremonies.

The following are the newly elected officers:

Chancellor—Commander—Jno. A. Blackwelder.

Vice Chancellor—E. Cavenaugh.

Prelate—Jno. M. Kinard.

Master of Finance—Wm. F. Ewart.

Master of Exchequer—Z. F. Wright.

Keeper of Records and Seal—T. E. Epling.

Master of Work—E. B. Wideman.

Master at Arms—H. B. Wells.

Inner Guard—W. S. Melton.

Outer Guard—C. A. Bowman.

The installation services concluded, the knights and their ladies with a number of invited friends who were present, adjourned to the dining room of the Crotwell Hotel, where the annual banquet was held. The feast was all that could be desired.

Taken all together, the occasion was a most pleasant one and enjoyed by all who were present. This banquet is given each year at the time of the installation of officers, and is always a big event for the Knights, and the occasion this year was one of the happiest and most thoroughly enjoyed ever held.

## THE NATIONAL BANK.

Annual Meeting of Stockholders—Officers Elected—Bank in Prosperous Condition.

The annual meeting of the stockholders of the Newberry National Bank was held on Tuesday, the 14th.

The affairs of the bank was shown to be in good shape and prosperous.

The following was elected as the Board of Directors: M. A. Carlisle, Dr. R. C. Carlisle, George Johnstone, J. F. J. Caldwell, Geo. S. Mower, D. H. Wheeler, W. T. Tarrant, F. Z. Wilson and F. N. Martin.

At a subsequent meeting of the Directors all the old officers were re-elected as follows: M. A. Carlisle, president; T. S. Duncan, cashier; J. W. M. Simmons, assistant cashier; F. N. Martin, bookkeeper, and H. T. Kendrick, collector.

## A SMALL ROBBERY.

The Store of Mr. S. B. Jones Entered and Robbed—But Little Missing.

Wednesday night the store of Mr. Sam B. Jones was entered, the money drawer torn to pieces and robbed of \$5 in change.

The burglar entered the store from a rear window, slipping his hand through a broken pane and lifting the latch so that the sash could be raised, and thus gained entrance.

The money drawer was torn piece by piece from its place under the counter and carried to the small alley at the rear of the store, where it was found the next morning.

The amount of \$5 had been left in the drawer, to be used for a certain purpose early the next morning, which was taken. Mr. Jones has missed nothing else from his stock, yet unless quantities of stuff had been taken it would be hard to miss.

This is the first robbery we have had in Newberry for some time. The police are working on the case and will likely have the guilty parties in hand soon.

## A Cure for Lumbago.

W. C. Williamson, of Amburst, Va., says: "For more than a year I suffered from lumbago. I finally tried Chamberlain's Pain Balm and it gave me entire relief, which all other remedies had failed to do." Sold by W. E. Pelham.
